Hello James,

Happy January! Even though the days are short and cold weather biting, the warmer months are just around the corner. The leadership team is putting together an exciting calendar of events for 2025, and we're thinking outside of the box to help bring more awareness to our cause and engage more people. We are raising the bar on expectations, and we're as motivated as ever to shout the message *Keep Religion Out of Government*. Stay tuned for intriguing collaborations with local businesses and organizations. The secular community is everywhere, and we're working to remove the taboo of being free from religion. We hope to see you out here this year! Here is the lineup for the next month:

Please note, the time was moved up one hour from our originally scheduled time. The address is: **1622 S 8th Street Rogers, AR 72758**. Help support your local community!

February 2nd (Sunday) - 10:00am to 12:00pm*
