Hello James,

The Spring season is officially here, and despite some chilly weather this past week, the emergence of color is abound. The days are getting longer and sandals weather will be here soon enough. But our politicians seem stuck on proposing (and unfortunately, passing) some really bad legislation. In February's newsletter, we discussed Senate Bills SB207 through SB 212, which greatly restrict the Citizen Ballot Initiative process. To the chagrin of many, all but one of these have now become law:

- SB 207 is now **Act 218**
- SB 208 is now **Act 240**
- SB 209 is now **Act 273**
- SB 210 is now **Act 274**
- SB 211 is now **Act 241**
- **SB 212** was rejected by members of the Senate State Agencies and Governmental Affairs committee.

But our elected officials continue to "flood the zone", and now they've turned their attention to religious indoctrination. Courtesy of your Arkansas elected leaders:

- **SB223 - To create the Religious Rights at Public Schools Act of 2025**
 - This was delivered to the Governor and awaiting a signature as of 3/20/2025
- **SB433 - Regarding the Display of the National Motto and the Ten Commandments**
 - This was passed by the Senate, and now in review in the House.
- **HB1705 - To require information concerning how the Religious and Moral Beliefs of the Founding Fathers influenced the Founding of the United States to be embedded into existing social studies standards.**
 - This was passed by the House, and now in review in the Senate

As trite as this sounds, **YOU CAN MAKE A DIFFERENCE!!!!** Please contact your Senator at 501-682-2902 and your Representative at 501-682-6211. If you don't know who your elected leaders are, use this cheat sheet:

- **Arkansas House of Representatives** (map)
- **Arkansas Senate** (list)

Please, please, please consider picking up the phone and reaching out to your elected officials. Democracy has never come under such intense pressure, but you, the citizen of the state, constituent of the United States and master of your domain, have the power & voice to be heard. Make sure you exercise this invaluable right.

Turning our attention to local activities, the **Ozarks Chapter of FFRF** capped off the winter season in Fayetteville on Saturday, March 1st, to watch Amanda Tyler deliver her speech titled *Christian Nationalism and the Threat to American Democracy*. Amanda is the lead organizer of the Baptist Joint Committee for Religious Liberty's Christians Against Christian Nationalism campaign and co-host of BJC's Respecting Religion podcast. She is also a recipient of FFRF's Champion of the First Amendment award, and spoke at FFRF's National Convention in 2023 in Madison, WI.
